

About The Council of National Continuing Education Centers of Inter-Universities in Turkey (TUSEM KONSEYI –TURKEY)

At the end of the conference of the “National Continuing Education Centers” held between 30/04-01/05/2010 in İzmir, it was decided that SEM Council is established. Council of Continuing Education Centers of Universities in Turkey (TÜSEM) is formed as a result of the meeting assembled with 37 representatives coming from 27 different universities with the consent of their rectorship at ODTÜ Culture and Congress Center. There are 107 members of TÜSEM Council at the moment (January 25 2016) and this number has been increasing each year.

TÜSEM Council consists of the Manager /President / Directors of the Continuing Education or Life-Long-Learning Centers in Turkey and KKTC Universities (SEM) and the centers conducting the same activities of SEM. General Assembly represents TÜSEM Council Committee. Representatives of The Council of Higher Education (YÖK), The Directorate of Interuniversity Council (ÜAK), Ministry of National Education (MEB), Vocational Qualification Authority (MYK), Turkish Employment Agency (İŞKUR) and the related organizations can participate to the council meetings as an observer.

The main purpose of the council is, to ensure that the Continuing Education / Life-Long-Learning Centers become institutions that provide higher quality education, more active, and widespread by working on accreditation, assessment and certification of the education programs arranged by the centers, as well as co-operating with the national , European and international institutions, organizations and societies. It is also among its tasks to solve the financial and bureaucratic problems of Continuing Education / Life-Long-Learning Centers by being represented individually and strongly against the competent authority, together with proposing mutual projects and be responsible to arrange and co-ordinate mutual educations.

TÜSEM Council held 6 general assembly, 21 executive committee meetings and 2 autumn meetings between 2010-2016 years in total, to carry out its mission in accordance with these objectives. Within the general assembly meetings, working groups were formed.
